

COFFEE CANS

MAKE A PLANT CONTAINER BY DECORATING AND
REPURPOSING COFFEE CANS.

MATERIALS NEEDED

EMPTY COFFEE CANS (CLEANED AND DRIED)
ACRYLIC PAINT OR SPRAY PAINT
POTTING SOIL
SMALL PLANTS OR HERBS

STEPS

1 CLEAN AND DRY THE COFFEE CANS:

Ensure the coffee cans are thoroughly cleaned and dried. Remove any labels or adhesive residue.

2 DECORATE:

Get creative with your decoration! You can use painter's tape to create geometric patterns or use stencils for specific designs. Allow the base coat to dry completely before adding any additional designs.

3 PREPARE FOR PLANTS:

Fill the painted coffee cans with potting soil, leaving enough space at the top for your plants.

4 PLANT YOUR CANS:

Plant small flowers, herbs, or succulents in the coffee cans. Ensure the chosen plants are suitable for the size of the cans and have proper drainage.
