

# T-SHIRT TOTE BAG

CREATE A FASHIONABLE TOTE BAG BY ADDING FRINGE TO THE BOTTOM OF AN OLD T-SHIRT.

## MATERIALS NEEDED

OLD T-SHIRT  
SCISSORS

## STEPS

### 1 CHOOSE YOUR T-SHIRT:

Select an old T-shirt with a design you like. Make sure the T-shirt is clean and free from holes.

### 2 CUT OFF SLEEVES AND NECKLINE:

Lay the T-shirt flat and use scissors to cut off the sleeves and neckline. This will create an open top for the tote bag.

### 3 CUT THE BOTTOM OF THE T-SHIRT:

Cut the bottom hem off of the T-shirt, creating a straight line. Decide how deep you want your tote bag to be and cut accordingly.

### 4 CUT FRINGES:

Cut fringes along the bottom of the T-shirt. Make sure the fringe is long enough to tie twice.

### TIE THE FRINGES:

- 5 Tie the fringes together in double knots to close the bottom of the bag.
